

Dear Congress, and Mr. Powell,

I currently do a program on 89.3 FM WRFG. I feel it is very important to let us not have to be run by a "dictator" so to speak, it is important for us to have a voice out there for the community.

Therefor I am hoping that you would give us a break and rule in favor of us.

Don't take away our freedom.

Signed,

J.R.
